proaudio.de 12/2013

"It features an almost intuitive operation and is provided with an excellent multilingual instruction manual (also in German) containing most detailed information. The complete operating system is practice-orientated. It delivers a high-quality sound and also meets professional requirements which is important, e.g. for high-quality reproductions in theatres. The CD-112RDS/BT is available at a very reasonable price and provides a great variety of reproduction facilities. Thus, it will certainly be interesting for a wide range of users and makes it suitable, e.g. for PA applications in halls and conference centres, multimedia applications, the use in theatres, etc."
