

## EX-1W

Order No.: 0163390

### PRODUCTINFOS

#### Audio exciter/resonator, 5 W, 8 Ω

Exciters are suitable for music and voice reproductions via surfaces capable of vibrating. They are simply glued onto doors, cupboard doors, shelves, desktops, lightweight walls, ceiling panels or many other surfaces which are capable of vibrating. Vibration of these surfaces create an impressive sound in the entire surrounding area.

- Depending on the mounting surface, very wide bandwidth reproduction with amazing volumes
- Excellent sound quality
- Dustproof and hose-proof according to IP66
- Suitable for unobtrusive PA applications, e.g. at doors, cupboards, shelves, glass panels, desktops, shower screens
- Supplied with 3M adhesive pad

### TECHNICAL SPECIFICATIONS

#### EX-1W

Impedance (Z) 8 Ω

**EX-1W**

|                                |  |
|--------------------------------|--|
| Frequency range                | dep. on the installation, goes beyond 20 kHz |
| Resonant frequency (fs)        | 1,200 Hz                                     |
| Power rating (RMS)             | 5 W  |
| Peak music power output (MAX)  | 10 W   |
| SPL                            | no data                                      |
| Voice coil diameter            | Ø 25 mm                                      |
| Voice coil former              | Kapton                                       |
| Dimensions                     | 85 x 65 x 21 mm                              |
| Width                          | 85 mm  |
| Height                         | 65 mm  |
| Depth                          | 21 mm  |
| Colour                         | black  |
| Protective class               | IP66   |
| Admiss. ambient temp.          | -10 °C to +40 °C                             |
| Weight                         | 0.107 kg                                     |
| Packing unit                   | 1  |
| Packing dimensions (W x H x L) | 0.126 x 0.032 x 0.137 m                      |
| Gross weight                   | 0.138 kg                                     |
