#### **Production Partner 04/2012**

"With the PAB-12WP/SW, the product range of IMG Stage Line now includes a weatherproof (IP45) 12/2 speaker system. It is available at an attractive price yet has plenty to offer. The speaker system provides impressive test results and a great sound experience. Overall, the PAB-12WP/SW and the PAB-120WP/SW can definitely be recommended for purchase, especially if you need a solid 12/2 speaker system which is able to still operate effectively even under difficult boundary conditions." Test author Anselm Goertz

#### tools4music 02/2012

"[...] for users and service providers who are often working at outdoor events or have to attend permanent outdoor applications, the PAB-12WP/SW is definitely worth considering ... open-air event in the Rhineland area, Germany ... continuous rain, from light drizzle to downpour ... despite plenty of water, even from every angle, the PAB-12WP/SW provided a smooth performance throughout the 6-hour test. Soaking wet on the outside, bone-dry on the inside."

- + Pleasant sound with impressive power reserves
- + Truly waterproof
- + Practice-orientated handling
- + Good workmanship
